**RE: Application of Dominion Energy South Carolina, Incorporated for the  
Approval of New Natural Gas Energy Efficiency Programs and Notice of  
Intent to Seek Net Lost Revenue under the Natural Gas Rate Stabilization  
Act (Application Does Not Include a Request for a Rate Increase)  
Docket No. 2021-361-G**

Dear Ms. Boyd:

By letter dated December 20, 2021, the Commission requested each party provide the proposed order of witnesses, whether the party would use witness panels, and whether the party had any objections to taking direct, rebuttal, and surrebuttal testimony together during the hearing.

Dominion Energy South Carolina, Inc. ("Company") requests that it be allowed to present its witnesses in-person in the Commission hearing room. The Company offers to present its witnesses in a panel, consisting of the following:

1. The direct and rebuttal testimony of Sheryl K. Shelton;
2. The direct and rebuttal testimony of James Herndon; and
3. The direct and rebuttal testimony of Jatón R. Smith

The Company reserves the right to amend the proposed order of witnesses, and the Company will update the Commission should that occur. The Company does not object to taking direct, rebuttal, and surrebuttal testimony together during the hearing, but it does not waive its right to present the testimony separately if needed.

By copy of this letter, I hereby serve the parties of record. Thank you for your assistance in this matter and please do not hesitate to reach out should you have any questions or need more information.
